Serial No. 10/652,670, Docket 295

MAINTENANCE FEE TRANSMITTAL

This is a maintenance fee transmittal for U.S. Patent No. 7,302,638, having a Serial No. 10/652,670. The maintenance fee being paid in this communication is the 3.5-year maintenance fee payment. The fee window for the 3.5-year maintenance fee payment closes on November 27, 2011.

Last week, on July 10, 2011, Applicant paid the 3.5-year maintenance fee and surcharge for a small entity (totaling \$555) for the above-identified patent through the PTO's online maintenance fee payment system. See the enclosed "Maintenance Fee Statement." Applicant has elected to change Entity Status, and submitted, on July 14, 2011, a written statement under 37 C.F.R. §1.27(g)(2) notifying the Office that the Applicant is no longer claiming Small Entity Status. See the enclosed "Change in Entity Status" filing.

Applicant wishes to pay the 3.5-year maintenance fee and surcharge as a large entity, the fee for which is \$1,110 (\$980 maintenance fee and \$130 surcharge). The \$555 maintenance fee and surcharge payment submitted on July 10, 2011 was therefore deficient for a large entity in the amount of \$555 (\$1,110 - \$555 = \$555). In a July 13, 2011 telephone call to the maintenance fee branch at the PTO, Applicant was told by Office personnel that the large entity 3.5-year maintenance fee payment can be paid in this situation by submitting, by facsimile: (1) a written statement under 37 C.F.R. §1.27(g)(2) (see enclosed "Statement of Change in Entity Status," already filed on July 14, 2011), and (2) this separate letter explaining the deficiency in the earlier payment and making a \$555 deficiency payment.

Accordingly, the Director is hereby authorized to charge \$555 to cover the remaining portion of the 3.5-year large entity maintenance fee and surcharge to Deposit Account No. 50-1756. The Director is also authorized to charge any deficiency in the payment of any required fee(s) or credit any overpayment to Deposit Account No. 50-1756.

If there are any questions about this communication, the Office is encouraged to contact the undersigned Applicant at the telephone number listed below.

Certification Under 37 C.F.R. §1.8	
I hereby certify that this document and the aforementioned enclosures are being transmitted by facsimile to the PTO's maintenance fee branch (571-273-6500) on the date indicated below.
